### TERMS AND CONDITIONS

If T&Cs are not adhered to or if production conduct is deemed unreasonable, deposit may not be returned.

- VRNs for vehicles on hardstanding must be provided to FO the day after pull-out to avoid PCN tickets.
- No vehicles should be parked alongside vehicles with slide-outs (generators, minibuses, unit cars etc).
- Crew Cars: NCP can arrange off-street parking for crew cars in their underground car park.
- Street Trader operates until 3am on Saturday morning and must be consulted and compensated for any loss of trade.
- Generators must not be refuelled on site.

Hardstanding:

- Weight limit of 7KN/m<sup>2</sup>
- Must keep 1m+ away from grass at all times and must keep clear of the trees and the listed monument. No equipment or vehicles outside of the hardstanding or on the grass area
- Access must be maintained at all times for grounds maintenance vehicles that service the park
- Parking must only be in allocated area on map
- Catering waste must be disposed of off-site. There must be no waste disposal on site
- Unit must not use Finsbury Square power at any time without express permission from the Islington Film Office
- Key required for barrier (pick-up from FilmFixer offices)
- Please ensure all barriers are locked upon leaving - IFO must be sent a photo at the end of every UB pull-out to show that the lock & chain is intact. If this isn't provided a deposit may be deducted.
- Please note that generator restrictions apply on Wilson Street - speak to your FO for details
- Local businesses (including Wilson Street restaurants) must be spoken to in advance, and we may ask for a letter drop. We encourage the support and use of local businesses.
